Hiring Manager
Ontario Public Service

Dear Hiring Manager,

As a current programming student, I am writing to express my keen interest in the Software Developer positions offered by the Student Employment Opportunities Program on the Ontario Public Service Website. With a strong foundation in both web development and backend development, along with a passion for continuous learning and improvement, I am confident in my ability to contribute effectively to your team.

My proficiency in web development extends to creating and maintaining websites tailored to meet diverse business needs With hands-on experience in web application development using JavaScript, ASP.NET core, PHP, and CSS, I am able to build robust and user-friendly web solutions. Additionally, my passion in backend development using Python, Java and C# coupled with database management skills in MySQL and Oracle SQL will provide the team with flexibility and seamless integration when it comes to working across various systems and frameworks.

One of my notable achievements includes independently designing and implementing an Excel-based dashboard with search and sort functionalities for an eLearning platform housing approximately 10,000 ESL language questions. This project not only honed my technical skills but also demonstrated my ability to deliver practical and scalable solutions for clients. Furthermore, having participated in the IEEE Extreme 2023 programming competition, my team ranked 20th in Canada and within the top 18% globally among university teams. These experiences underscore my dedication to excellence and proactive approach in overcoming challenges.

Please review my resume, which has additional information on my skills, education, and employment. I believe my skills, education, passion to improve and previous employment experience will make me an ideal candidate for the opening. I am enthusiastic about the opportunity to further discuss how my background aligns with the requirements of the positions available through the SEO program. Thank you for considering my application.

Sincerely,

Cheuk Man Sit
